

Vacancy – Partnership Development Worker

8 Hours per week (initial 6 months)

£12 p/h

This is an exciting opportunity to join a ground-breaking new Christian charity working to combat loneliness and social isolation on a national level. We work with churches and Christian agencies across the country to support them in establishing befriending schemes and there are already 18 partner projects operating. In each area, volunteers regularly visit older people, and social events and activities are also organised.

This aim of this strategic new role is to make regular telephone contact with churches and other potential partners mostly known to the charity, and to nurture relationships with those interested in setting up a Linking Lives initiative. This role would suit someone who is confident in telephone communication, computer-literate with an understanding of church life. You will need to be able to work on your own initiative as well as within a wider team. The role will be a self-employed position, and will involve working from home or from a local office base. We are specifically looking for someone with the relevant experience who shares our vision to reach and support isolated older people. All applicants must be committed to Linking Lives' Christian beliefs.

For more information and a Role Description, please contact Jeremy Sharpe at Jeremy@linkinglives.uk or call 07970 100131 for an informal discussion. Deadline for applications: 22nd September 2017.

Linking Lives UK, c/o Kings Place, 9 Station Road, Wokingham, Berks RG40 2AD
